1 EXT. DESERT- LAST CHANCE MOTEL - DUSK 1

We come down over an empty landscape - almost ALIEN in its presentation.

Vast. Barren. Endless.

Serene. PERFECT.

The immense SUN sets in the distant horizon. In REAL TIME daylight disappears as we reveal -

2 OMITTED 2 *

3 OMITTED 3 *

4 EXT. LAST CHANCE MOTEL - CHAPEL - CONTINUOUS 4

We inch around the grounds of a GAUDY, HOT PINK MOTEL. The compound has clearly been used for other purposes before but is currently some sort of off-the-beaten-path wedding destination. It looks like something out of an UNMADE JOHN WATERS MOVIE with a LOST IN TIME DINER and a CAR GRAVEYARD surrounding its perimeter.

It’s quiet as nightfall consumes the motel, almost SERENE despite its loud colors and tacky paint texturing, when -

BELLS go off.

One.

Two.

Three.

Four.

The sound ECHOES eerily...FIVE. SIX. SEVEN. EIGHT...

At the stroke of NINE, a set of DOUBLE DOORS bursts open at the DINER.

We see a GROOM, late 30s, barreling out with his face BADLY burnt and vintage tuxedo completely tattered and charred, soaked in blood as if he’s been operated on or something. Slung over his shoulder is his BRIDE, unconscious with her oversized poofy wedding dress (also completely covered in blood) obscuring her petite frame from view.

He barely takes a beat to adjust his eyes to nightfall, and then takes off running full speed to the nearby parking lot that is BARREN - except for his metal band sticker/beat-up convertible that's been parked just on the other side of the hotel’s mascot, a Pretty Pink Cadillac.

BEHIND HIM

Suddenly, BZZZZZZT - a PURPLE NEON SIGN above an adjacent MOTEL comes on with a loud electronic BANG!

"Last Chance Wedding Chapel”

Everything around him is now awash in a bright VIOLET HUE

He quickly places his Bride's seemingly lifeless body in the back seat, rushes around to the other side, and hops into the driver's seat like he's one of the DUKES OF HAZARD, but without the style.

He turns to look back at her.

GROOM
Sorry, baby...

Screams - HOWLS in the distance. Not animal, but human. Followed by an even more inhuman laughter.

GROOM (CONT’D)
FUCK. THIS. FUCKING. PLACE.

He fumbles through his keys, hands shaking also burnt and bloody. Maybe a finger or two missing making it even more impossible to get the damn key in the ignition.

GROOM (CONT’D)
Shit...
(frantic)
Shit-shit-shit...

Finally, he gets ahold of the IGNITION KEY.

GROOM (CONT’D)
YES!
(puts the key in)
YES! YES! YOU PIECE OF SHIT MOTHERFUCKER!

With a huge grin on his face, he sticks it in the ignition and - *

GROOM (CONT’D) *
LET’S FUCKIN’ GO!!!

JUST before he can turn the key... *

THWACK!

An unseen figure (MONSTER) pulls him out of the car and slams him to the ground.

The disgusting sound of RUSTED METAL tearing through flesh, cartilage, and BONE.

He tries to muster a SCREAM, but instead his voice GURGLES as his larynx fills with blood and severed tissue.

The metal continues - scraping BACK AND FORTH.

After all, beheading someone isn't clean and fast like it is in the movies...

We pull back to REVEAL - a long, weathered SAW having made a pretty big dent in the side of his neck. STILL ALIVE

His suddenly DIES going limp moments before their escape. *

HOLD on his almost decapitated head blood flowing like a river as...

We HEAR footsteps through the dirt quickly making its way around to the passenger door, opening it, and what sounds like pulling the bride from the car.

We pull away from him and his car. (DRONE?)

His BRIDE'S body is GONE. The NEON SIGN SHUTS OFF with an equally loud BANG and the place goes dark as we

HARD CUT TO:

6 EXT. NEVADA DESERT - HIGHWAY - DAY 6

SKRREEEECH!

A TIRE passes us, burning rubber as it pulls out onto a long stretch of BARREN DESERT HIGHWAY.

It belongs to a TRICKED-OUT, GIRLED-UP Dodge Charger - sunroof open. We see two heads of LONG HAIR blowing WILDLY in the wind and out the open windows.

As it quickly accelerates, a SUPER-COOL VINTAGE VAN clumsily follows it, clunking along like your favorite uncle who's been kneecapped for Christmas.

Far behind them is the lurid skyline of LAS VEGAS...

CUT TO:

7 INT. GIRLED-UP DODGE CHALLENGER - CONTINUOUS 7

ON THE STEREO - music blasting. A driving yet sensual retro-vibed tune that recalls THE SMITHS meets SISTERS OF MERCY meets SADE.

If a TikTok star danced to this video in a REEL, it would go viral in no less than ten seconds flat. That's how infectious this song is.

At the wheel is ANDI, 20s - color-treated hair and a smile as big as Texas. Excitement fills her eyes and she steps on the gas and laughs as the girly truck continues to pick up speed.

Next to her is CASEY, early 30s - dark hair, the serious one. Street smart. Sharp as a tack and insightful. An old soul.

She smiles along with Andi's increasing recklessness, though there's a glimmer of FEAR in her eye as she sees that the vehicle is approaching 120 MPH.

Andi's right hand and Casey's left hand are interlocked. They're clearly ROMANTICALLY INVOLVED.

Before we cut from the insert, we catch the brief glimpse of an ENGAGEMENT RING on Casey's RING FINGER...

They pass a 75 MPH SPEED LIMIT SIGN when Casey finally decides to speak up about Andi's recklessness.

CASEY
Jesus Christ, Andi - another foot and a half and the sign would have taken off the mirror!

ANDI
Sorry, babe - can't hear you with the windows down!

CASEY
Forty-five over's almost a thousand-dollar ticket!

ANDI
How would you know?

She ramps it up to 125.

CASEY
Seriously!
(notices speed)
Now it's over a grand.

ANDI
Only if we get pulled over...

Casey looks in the thankfully still intact side view mirror. The cool van is barely a speck on the road in the reflection.

CASEY
Let's be conservative with our speed so my brother's van doesn't overheat.

Her CELL PHONE suddenly rings.

ANDI
(half-mocking)
Conservative with our speed?
(beat)
ANDI (CONT'D)
You weren't conservative with your speed when you said yes.

Casey moves her hand, fully revealing the RING.

CASEY
(under her breath)
Good point.

ANDI
What was that? I stiiiiill can't heeeaaaaaar you!

Her phone rings again.

Casey looks at it. Sure enough...

"INCOMING CALL: CUERVO"

She quickly rolls up the passenger's side window and answers.

CASEY
You're so predictable, bro.

CUT TO:

8 INT. COOL VAN 8

In on Casey's brother Charlie aka CUERVO, aptly named because he literally becomes a different person when he drinks, so he quit and took up smoking marijuana instead - before it was legal.

CUERVO
So's your fiancée.

He's just a bit younger than Casey, short dark hair and fresh tats.

Cuervo owns a small car fabrication shop in Los Angeles restoring vintage cars (such as the van he's driving) is his passion. *
*

CUERVO (CONT'D)
Seriously, 'Case...
(beat)
She needs to slow down or we're gonna spend your rehearsal dinner hitchhiking.

We hear Andi in the distance, shouting into Casey's phone.

ANDI (O.S.)
(over phone)
Tell him I'm just excited to marry his sister's sweet little ass!

We can practically HEAR Casey roll her eyes from the other end and roll down the window again to drown Andi's comments out.

CASEY (O.S.)
(over phone)
Andi's very excited to marry me.

ANDI (O.S.)
(over phone)
That's not the whole thing. Tell him the whole thing. The ass part! The ASS!

CUERVO
Yeah. No. I heard it.
(sighs)
Unfortunately.
(beat)
Hopefully there's a truck stop or something soon 'cause I may need to pull over.

He glances down at the TEMPERATURE GAUGE on his dashboard.

The van is SERIOUSLY pushing it.

CUERVO (CONT'D)
Sooner than later.

ANDI (O.S.)
Just let me know.

CUERVO
Hope I don't have to.

He hangs up.

In the rows of seats around him are...

SUGAR (passenger's side) - Cuervo's girlfriend, enormous "Farrah hair", nervously filing her recently-done nails and chomping on three pieces of PINK BUBBLE GUM and occasionally blowing impressive bubbles. She works at Cuervo's shop and they've been on-again-off-again for awhile.

BETTY (driver's side rear) - Casey's close cousin, black sheep of the family, curiously bi, Betty bangs and air pods, cynically looking out at the highway as she scrolls through her phone, reading about the lineup of a NU-METAL REVIVAL music festival called "NOOKIE DOWN LIKE IT'S 2002" (ugh).

Her parents lost custody in her middle school years, thanks to Casey (and her grandparents) she avoided going into the system. She has a love for fashion like Casey but never went to school, regretting not following her dreams.

AXEL (passenger's side rear) - Casey's best friend since High School and throughout fashion school, son of a hair band wild child who named him after Axl Rose but put an E on his birth certificate by mistake because he was 18.

Axel and Casey went to fashion school together in San Francisco. They made a promise to each other a few years ago that Axel would be her sperm donor if she never married. *

In the REAR MIDDLE SEAT is Axel's younger brother...

IZZY - fifteen years old but with the soul of someone many times his age. He came from Axel's mother's second marriage and is also aptly named after a member of GnR.

Casey was in the delivery room when he was born and is like a surrogate mother to him. Obsessed with sci-fi movies and comic books but has a very particular taste he calls "refined".

SUGAR
You hung up on her.

CUERVO
Just showin' her a little brotherly love.

SUGAR
That was rude.

BETTY
I don't normally agree with Sugar Pop here, but that WAS pretty rude.

CUERVO
It's our thing.

BETTY
Since when?

Axel leans in towards Izzy, checking out his brother's reading material.

AXEL
New issue?

IZZY
Yep.

AXEL
Which one’s this?

IZZY
The Last Spartan: Red Tape.

AXEL
Nice title. What’s it about?

IZZY
Frank Kane, only remaining member of The Last Spartans MC, trying to rescue a kidnapped kid from a human trafficking ring in Atlanta.

AXEL
(leaning in)
Sounds...heavy.

IZZY
It is. He’s guided by Spartan maxims, gets visions from the gods — total Greek tragedy vibes.

AXEL
Dark, man...

BETTY
What's an MC?

IZZY
Motorcycle club. You know, like Sons of Anarchy but ancient warrior-style.
(beat, getting into it)
Oh, and there's this undercover agent sick of all the red tape who teams up with him.

BETTY
(Beat. Overhearing)
So what's with the Spartan thing?

IZZY
(as if quoting)
The Spartan motto was:
"Disciplined, courageous, and built to kick ass."

Despite his young age, Izzy can hang with the best of them when it comes to sarcasm.

BETTY
(she shoots a look over to Axel. Joking)
You can't be related. He's smart

THUNK!

Another BUMP in the highway. They all bounce about half a foot up in their seats, even with their seatbelts on.

...As do Sugar's big fake tits. She holds them in pain.

SUGAR
Fucking Ow! You know I just got these done!

BETTY
Shit, Cuervo - stop trying to fucking kill us!

AXEL
Fucking A, call Casey back and tell Andi to slow down RIGHT NOW.

CUERVO
You want me to turn this thing around?

AXEL
Sorry Dad. You okay Betty?

BETTY
(another bump)
Was hoping we could die AFTER the wedding, not before.

Axel leans back in his seat and glances over at Izzy.

AXEL
You good, baby bro?

Izzy gives him a quick "thumb's up" without looking up.

IZZY
Affirmative.

He continues reading.

Cuervo looks down at the van's thermostat.

It's nearing HOT.

He picks up his phone, quickly dialing Casey.

CASEY (O.S.)
(answering)
I can already see the steam coming out from under the hood.

CUERVO
Looks like there's a truck stop up ahead. Hopefully I make it.

HARD CUT TO:

9 EXT. DESERT TRUCK STOP - MOMENTS LATER - DAY 9

Cuervo is under the van, tools in hand, wiping grease from his hands. *

Sugar walks up next to him, wafting it away.

SUGAR
Told you we shouldn't have taken this thing here. Shoulda taken the Porsche.

CUERVO
(matter-of-fact)
Porsche wouldn't fit everyone.

SUGAR
Okay, Fine. Don’t listen to me.

Cuervo continues checking on the van as Sugar and the others head inside the store. *

Nearby, the CHARGER is parked. Andi and Casey approach Cuervo. *

ANDI
Couldn't keep up?

Cuervo pats the van's engine.

CUERVO
(to the van)
Don't worry, baby. She doesn't mean it.

ANDI
Baby's older than any of us. It's your own fault.

Andi continues past him into the store. Casey pats her brother on the shoulder.

CASEY
(beat)
Trouble in paradise?
(off his look)
With Sugar...

Cuervo wipes his hands off with a grease rag.

CUERVO
There's always a volcano near paradise.

Cuervo glances at Sugar, who is modeling hats and failing to make Betty laugh.

CUERVO (CONT’D)
And I keep taking her back.

CASEY
Maybe that's a sign.

CUERVO
Of what?

She holds up her ring finger.

CASEY
That you're next.

CUERVO
(scoffs)
Yeah. Maybe it's time to settle down.

She gives him a "look". *

CASEY
Never thought you were the white picket fence and 2.5 kids type.

CUERVO
White picket fence around my shop tagged with street art...
(beat)
...from my kids.

CASEY
Barely a glimmer in your eyes and you're already condoning vandalism.

CUERVO
(smiles)
If they're gonna tag it might as well be under my supervision.

She smiles back at him.

CASEY
Sounds familiar.

CUERVO
Hey, it actually paid off for you!

CASEY
Spray painting a trash can in the back of a 7-11's clearly the gateway drug for fashion design.

CUERVO
Remember when Mom said if we ever wanted to try weed to come to her first?

CASEY
Yep. She didn't know I already had.

CUERVO
One of my fondest childhood memories.

CASEY
You're that worried about her leaving you for good maybe you shouldn't date girls you met at your shop...

CUERVO
...then give them a job?

Casey scoffs and heads into the store.

PRE-LAP: *BING*

9A INT. DESERT TRUCK STOP MARKET - DAY 9A

Close on a STORE CLERK ringing a bell.

CLERK
Order up. Sausage, Egg and Cheese.

Izzy takes a bite of the large sausage, egg, and cheese croissant that might've been sitting under the heat lamp for ages.

IZZY
Gross!

Izzy trick shots the breakfast croissant into an overflowing trashcan.

CLERK
Still gotta pay for that...

Izzy just scoffs.

AXEL
Yeah man, I got it... *

Casey enters past them and spots Sugar putting on a pink neon hat with the phrase "IT'S NOT GUNNA LICK ITSELF" as she taunts the CLERK who holds a hypnotized gaze at Sugar's chest.

CLERK
You ain't from around here, are ya?

Sugar smiles as she bends down over the counter exposing her cleavage even more. *

SUGAR
What gave it away?

CLERK
Just saying... if you're headed to Vegas you're going the wrong way. Nothing for you folks out here.

SUGAR
(Scoffing)
Trust me, I wouldn't be here if it wasn't for this...
(spots Casey and pulls her in)
This beautiful bride. So STUD, how much for the hat?

Sugar leans further in, giving the clerk a nice view. The clerk clears his throat.

CLERK
For you? It's on the house.

SUGAR
Awe, you shouldn't have.

Sugar bounces in excitement as she winks at Casey and exits. Andi, just down the aisle, takes a BIG BITE of a strangely beautiful-looking hamburger.

CASEY
Any good?

ANDI
Frozen on the inside, just like Betty.

Betty shoots her MIDDLE FINGER at Andi as she looks around.

ANDI (CONT'D)
You know I'm kidding. We're all amigos.

BETTY
These are your fiancée's amigos.

ANDI
Mine were killed in a car accident.

BETTY
ALL of them?

ANDI
Yeah.

BETTY
What about your family?

ANDI
Them, too.

BETTY
Musta' been a pretty big car.

ANDI
WHAT, Betty? What's your...

Casey interrupts.

CASEY
Hey cool it. What's up with you two? *

BETTY
Just making sure your girl here isn't gonna go female Michael Myers this weekend.

ANDI
Happy Halloween, Boo!

BETTY
Trollop.

CASEY
HEY!

BETTY
Least I didn't use the B word.

ANDI
We almost had to go straight to the C word a few seconds ago.

A beat. They notice they've gained an audience from the Clerk, listening a bit too closely. *

CASEY
You two gonna behave so we can get back on the road?

Andi nods, Betty's eyes still on her.

BETTY
I'm the bad cousin, remember?

CASEY
You're grounded. You're all grounded.

BETTY
(brushes past Andi, to walk outside)
Yes, mother.

CASEY
(to Andi)
I'm gonna go grab a water.

ANDI
Let's get back on the road. We're gonna be late.

Andi gives a nod, with a smack on the butt as she heads outside passing Axel who's settling up at the register.

Casey walks to the water cooler and checks her surroundings before reaching into her pocket revealing a small pill bottle marked "Xanax".

It's a fairly low dosage. She drops a few into her hand - at first she's going to take THREE...then dials it back to TWO, then ultimately ONE...

Just as she's about to pop it in her mouth...

AXEL
Hey, do you...

Casey startles and drops the pill and the bottle, scattering the pills across the floor in the process. *

CASEY
Fuck!

AXEL
Shit! I'm sorry... Are you okay??

Axel squats down gathering up pills and empty bottle, noting the label.

AXEL (CONT'D)
Don't tell me you're getting cold feet...

They share a moment.

CASEY
(stumbling to find words)
I-he-uh… (beat) I'm good. I'm good. Thank you.

Axel wraps his arm around her giving her some loving support.

AXEL
Are you sure?

CASEY
Yeah.

Axel hands back the back the bottle, pretending not to notice.

AXEL
So here we go huh?

CASEY
(Nervous smile)
Here we go.

AXEL
You know I'm rootin' for you two right?

CASEY
Yeah I know.

AXEL
Still... A part of me always thought that it would be me standing up there with you...

Then. Before she can read how serious he is...

AXEL (CONT'D)
Guess I'm off the hook for our "marriage pact" we made when we were kids, right?

CASEY
(laughs)
When we were 15?

AXEL
Yeah... Anyway, Andi seems...

CASEY
Be nice...

AXEL
No, she's great.

CASEY
Good. Because I really need you both in my life.

AXEL
Of course! (beat) Hey, I'm happy to be here for you. Both of you. (beat) I'll always be here for you.

Casey and Axel head outside together.

10 OMITTED 10

11 OMITTED 11

12 EXT. DESERT - TRUCK STOP - CONTINUOUS 12

Axel and Casey exit together. In on ANDI, leaned against her CHARGER, clocks their closeness.

Casey splits off toward Andi, as we follow Axel to the rest of the gang hanging out in Cuervo's van.

Sugar shows Cuervo her new hat, pointing at its naughty logo.

SUGAR
Like it?

Cuervo gives her a clearly forced smile.

CUERVO
It's cute.

SUGAR
That's what I thought.

Joining the group Axel shakes his head and puts it over Izzy's eyes.

CUERVO
(closing the hood)
Alright! Let’s get this show on the road!

Cuervo removes a rock from under the tire as his makeshift parking brake and hops in the car.

CUT TO:

13 OMITTED 13

14 OMITTED 14

15 EXT. DESERT - LONELY ROAD - LATER 15

As the sun begins to descend, our mini-convoy heads towards it on a dusty road off of the highway.

Casey leans back, soaking in the sun rays as Andi sings along to a 90's female-fronted rock jam similar to PJ HARVEY.

16 INT. COOL VAN - CONTINUOUS 16

Similarly, Cuervo follows them - content that his "baby" is doing well and not overheating.

Izzy flips a page of his graphic novel, revealing a TWO PAGE SPREAD of a run-down CAR GRAVEYARD littered with dead bodies.

AXEL
Think I see it up ahead.

Izzy looks forward, then back at his graphic novel, wide-eyed.

17 INT/EXT. DESERT - LONELY ROAD - CONTINUOUS 17

The two vehicles pass a sign that reads:

"LAST CHANCE WEDDING CHAPEL"

Which is followed quickly by...ironically...a CAR GRAVEYARD.

Inside the VAN, Izzy nudges his brother.

IZZY
Look at this.

AXEL
What?

Izzy points at the page then looks back up at the matching scenery.

IZZY
Weird, right?

Axel closes the book.

AXEL
It's just a story.

CUT TO:

18 EXT. LAST CHANCE MOTEL - CHAPEL - DUSK * 18

The group rounds the graveyard, shuffling into the motel's grounds through what looks like the only way in or out. The place looms in front of them—a HOT PINK SUICIDE CULT COMPOUND that seems more like a place you go to join a strange club than to celebrate love. It's like if Barbie and Skipper were asked to design a getaway for David Koresh.

They each pull into the mostly deserted parking lot. The only other vehicle in sight is a PINK CADILLAC, parked dead center.

Andi takes a breath, glancing over at Casey as they both size up the tacky landscape.

ANDI
(sighs)
Here we are. Great Basin's Taj Mahal.

Betty climbs out of the van, looking up at the flickering NEON SIGN that hasn't quite decided if it wants to turn on.

BETTY
You sure this place isn't infested with bed bugs?

A few feet away, Cuervo has popped out of the van and wedges a rock under the rear tire to keep it in place, ignoring a scoff from Sugar, as she (still proudly sporting her absurdly * oversized hat), Axel, Izzy, and Betty start dragging their bags out of the back of the van. Sugar's bag dwarfs the others, practically a full-sized suitcase.

SUGAR
(smirking)
Hope those memories come with a black light.

Casey tries to rally some enthusiasm out of the group, clapping his hands and putting on a cheerful front.

CASEY
Well… I happen to think it's pretty charming.

BETTY
(mockingly)
Oh yeah, I hear Mad Max chic is totally in right now.

SUGAR
Totally.

CASEY
(keeping his spirits up)
Come on, it’s cozy! Kinda like the neighborhood from Edward Scissorhands.
(turns to the group, trying to pump them up)
I think we’re gonna like it here. This is gonna be fun! But hurry up, we’re already beyond late.

Cuervo slams the hood shut, satisfied.

CUERVO
(confidently)
Baby’s still good and hydrated.

He kisses his hand and slaps it down onto the hood like a badge of honor.

They gather their things and start toward the lobby. The sarcasm and grumbling continue, with Sugar chuckling and Betty rolling her eyes, but Andi’s patience is wearing thin. She stops, turning back to face them, her expression shifting from playful to annoyed.

ANDI
(biting)
You all just don’t know a good time. Since you hate it so much, why don’t you stay in the car, and Casey and I will check us in?

Andi’s tone catches them off guard, silencing the group for a beat. Just as Andi and Casey start heading to the lobby, Axel steps forward, reaching for his wallet.

AXEL
(sighs, trying to keep the peace)
Hey, wait up. Put it on my card, alright? My gift to the newlyweds.

Andi stops in her tracks, narrowing her eyes at Axel, unimpressed.

ANDI
(scoffs)
We don’t need your charity, Axel.

The air is thick with tension as they stare each other down for a second, neither willing to back down. Casey clears his throat, trying to defuse things.

CASEY
(grabbing Andi's arm gently)
Come on, let's just get checked in, alright? It's… it's been a long drive.

Andi exhales, giving Axel one last look before turning and heading toward the motel with Casey, leaving the rest of the group standing in the lot, momentarily chastened.

CUT TO:

19 INT. LAST CHANCE MOTEL - LOBBY * 19

The inside of the Last Chance Motel lobby is as garish as the neon sign outside promised—walls cluttered with photos capturing the evolution of Vegas. There are shots of hotel groundbreakings, black-and-white scenes from the gangster era, and a progression of SHOWGIRLS through the ages. One blonde showgirl, glamorous and lively like an alternate-timeline Dolly Parton, appears in each photo, her big hair and charisma unforgettable.

As Andi and Casey take it all in, they realize that very same showgirl is now watching them from behind the reception desk, setting a 78 record onto an old player. A slow, big-band tune fills the room.

This is BOBBI LOVE, mid-50s, barely changed from her photos.

Casey opens her mouth to speak, but Bobbi's sharp gaze lands on both of them first.

BOBBI LOVE
(thick drawl, a hint of irritation)
Well, well, if it ain't the happy couple. Been sittin' here watchin' * the clock tick. Thought maybe y'all got cold feet.

She gives them a once-over, sizing them up as if deciding if they're worth the trouble.

BOBBI LOVE (CONT'D)
So, who do we have here?

ANDI
Reservation's under Andi Ban—

BOBBI LOVE
(interrupting)
Andi Banning. Yeah, I know who you are. Two nights, four rooms.

Bobbi clears a massive keyring with all the room keys and the Cadillac key prominently displayed on top off the counter and flips open a massive leather-bound ledger in their place — clearly the only system she trusts for record-keeping. Casey raises an eyebrow, noting the complete absence of computers.

BOBBI LOVE (CONT'D)
(lazily flipping through pages)
Banning... Banning… (beat)
Here we go! Guess my boy took your reservation, can hardly read the scribble. They don't teach cursive no more—can you believe that?

CASEY
(glancing around)
Not a fan of computers either, I see?

Bobbi's eyes narrow slightly, her lips twisting into a sardonic smile.

BOBBI LOVE
What in tarnation would I do with a computer? Only thing that works out here's this ol' record player. God knows it's more reliable than any of that tech junk.

She stamps something in the ledger, her eyes flicking back up to them with a hint of mischief.

BOBBI LOVE (CONT'D)
Looks like you two are in for the all-inclusive experience. Lord knows you'll get more than you bargained for.

She holds their gaze just a second too long, the sly smile creeping back onto her face. Andi shifts uneasily, about to speak, but Bobbi's already gesturing toward the door.

BOBBI LOVE (CONT'D)
Alright then, let's get this show on the road. Guests are waitin' outside.
(MORE)

BOBBI LOVE (CONT'D)
Don't wanna keep 'em in the heat too long—wouldn't wanna be liable for a heat stroke on top of everything else.

Bobbi brushes past them with a flair, pushing open the door and stepping into the fading desert sunlight. Andi and Casey exchange a glance before following her, stepping out into the warm, dusty air.

CUT TO

20 EXT. LAST CHANCE MOTEL - FRONT LOT - CONTINUOUS 20

The guests stand in a loose circle outside the Last Chance Motel, eyeing the neon-lit, desert-worn building with a mix of curiosity and doubt. The buzzing lights cast a warm glow over everything, giving it a quirky charm that could almost feel magical—if it weren't quite so shabby.

Bobbi Love stands at the front of the group, hands proudly on her hips, grinning like she's on stage in her very own one-woman show.

BOBBI LOVE
Alright, y'all! Welcome to the Last Chance Motel! Ain't another place like it out here in the middle of nowhere, where the desert meets dreams. Now, I promise, we might be a little rough around the edges, but we've got heart—and stories to tell!

She winks, and several guests smile uncertainly, still sizing up the place.

BOBBI LOVE (CONT'D)
(gesturing)
Our pool's right around the corner. Dry as a bone at the moment, but just imagine—an oasis! Feel free to pull up a chair and relax there anyhow. Sometimes that's all you need to soak up the magic.

Some of the guests exchange amused glances. Bobbi continues, undeterred, gesturing toward the rooms.

BOBBI LOVE (CONT'D)
Rooms five through eight, just for y'all.
(MORE)

BOBBI LOVE (CONT'D)
Got all the necessities, and maybe a bit more character than you're used to. Showers don't exactly rush, but they get the job done. Just keep your wits about you if you spot a scorpion or two—think of 'em as tiny room guardians!

She points toward a desert patch decorated with a simple but elegant arch wrapped in fairy lights and dried desert flowers. The makeshift chapel has a certain rustic charm under the fading desert light.

BOBBI LOVE (CONT'D)
Now, as you'll see, our actual chapel… well, she got a little toasted a while back, so we're going with somethin' more scenic. Y'all are lucky, though—marrying out in the open desert? Now that's a memory you won't find anywhere else.

Andi and Casey smile at each other, taking in the romantic view.

AXEL
(smirking)
Hold up! Casey, you can't stay in the same room as Andi before the wedding! That's bad luck.

BOBBI LOVE
Pretty Boy's got a point there! We take our weddin' traditions real serious around here. Unfortunately we're in the middle of renovations, so we don't have available, but I could set up a cot for you in the lounge if you're wantin' to stick to the rules.

Just as Casey opens her mouth to protest, Betty pipes up with a mischievous grin.

BETTY
Oh, come on, Casey can stay with me.

Andi throws daggers at Axel as Casey nods her head in agreement.

Just then, there's a sudden, jarring presence—a tall, stone-faced figure appears out of nowhere behind Bobbi, making several guests jump.

It's Harold, Bobbi's son, looming silently with a worn cowboy hat and a vacant look. He's holding a stack of keys and stares unblinkingly at the group, his face unreadable.

BOBBI LOVE
(sweet as honey)
And this handsome fella here is my boy, Harold. He'll be helpin' y'all with anything you need. Ain't that right, Harold?

Harold nods slowly, his gaze moving over the group with an eerie calm.

HAROLD
(voice like gravel)
Anything heavy. Or not.

A beat. He reaches out and takes some bags with surprising ease, his blank expression never changing.

BOBBI LOVE
Alright now, Harold's got you covered! Now remember, breakfast is in the lounge at eight, and the ceremony's at three sharp tomorrow. Y'all enjoy yourselves and let the desert work its magic.

She gives a grand wave, and with one last beaming smile, heads back inside, leaving the guests exchanging glances, not quite sure what to expect. Harold watches them a moment longer, then turns without a word, silently heading toward the rooms with their luggage, vanishing into the dimming light like a ghost.

BETTY
(muttering to Casey)
"Quaint," huh? We'll see.

Andi just laughs nervously.

CASEY
Come on Betty! Roomies.

Casey gives Andi a peak on the cheek. Andi sighs. The group slowly disperses toward their rooms, each already feeling like they've stepped into some kind of desert fever dream that could go any which way.

21 INT. LAST CHANCE MOTEL - ROOM 7 - MOMENTS LATER 21

Andi sits at the edge of the bed, head down.

The room is straight out of a 1980's DRUG DEN. Waterbed. Bad wood paneling. Mirrors on the ceiling that would make a sleazy Hollywood producer proud. Gaudy decor is arranged randomly throughout the room...

There's a KNOCK on the door.

CASEY enters.

CASEY
(quiet)
You alright?

Casey sits down on the bed next to Andi. They sit in silence for a few moments.

ANDI
Yeah.

Casey leans in, looking at her. There's a TREMBLE in Andi's breathing.

ANDI (CONT'D)
Long drive.

CASEY
Nervous?

Their EYES meet.

ANDI
Why would I be nervous?

Casey leans in more - touching her LIPS to Andi's.

Andi returns the motion, closing her EYES.

They pull away, opening their eyes again.

ANDI (CONT'D)
It sounds like YOU'RE nervous… Are you sure you still wanna do this?

CASEY
(smiling)
Of course, I'm here aren't I? I came over to make sure you were okay.

A beat - their eyes connect again.

ANDI
Just making sure. It seems like you have a pretty strong connections with some of the people here. All of that history...

CASEY
Are you talking about Axel? Seriously? I never took you as the jealous type. And need I remind you he has a dick? And balls?

ANDI
Well... you never know... People change their minds.

CASEY
Hey... I love you. And I'm never going to change my mind on that. Are you with me?

ANDI
I'm okay as long as you're with me.

CASEY
Now... I forgot. Do you have a dick and balls.

Casey playfully leans in toward Andi to "check"...They lean in towards each other again, slowly. Casey closes her eyes first, then Andi.

The only sound in the room is their skin touching.

CASEY (CONT'D)
(a whisper)
I love you...

They continue, a sure precursor to their eventual HONEYMOON. AND THEN...a sudden BANGING at the door.

ANDI
(under her breath)
No. Don't answer it...

Their eyes lock.

CASEY
You know I'll always protect you, right?

A moment...

ANDI
I do.

CASEY
(smiling)
You do?

CASEY (CONT'D)
I love how you say that.

ANDI
(sly smile)
Will you still love it tomorrow?

More banging at the door - this time more aggressive and relentless.

ANDI (CONT'D)
...fuck...

Casey slides off of the bed, quickly collecting herself and going to the door.

She opens it.

It's HAROLD. He is staring down at her drooling spit into his Styrofoam cup. The room tenses up, something seems off.

CASEY
Yeah?

With his other hand, Harold pulls a BOTTLE OF WINE out from the back pocket of his oversized overalls.

HAROLD
Compliments of momma.

He hands her the bottle. He remains standing at the door with the same expressionless stare. Casey closes the door awkwardly, turning back towards Andi.

CASEY
(mockingly)
Booze...from "momma."

ANDI
Holy Booze.

CASEY
Even the good Lord endorses getting trashed the night before your wedding.

Casey looks at the bottle. It's TRADER JOE'S TWO-BUCK CHUCK from 2008.

CASEY (CONT'D) (CONT'D) *
(beat)
Guess I should go.

ANDI
Guess so.

An awkward beat - not what either of them wanted to do.

CASEY
Yeah. Okay. I'm going.

Casey leans in, quickly kissing Andi again before she turns towards the door.

ANDI
Hold up.

Casey stops, turning back to her.

ANDI (CONT'D)
(nodding at the wine)
Leave that.

CASEY
Right.

She puts it on the nightstand and takes one more look at her fiancé. *

ANDI
That'll help with my vows and
beauty sleep.

CASEY
Sweet dreams.

Casey leaves the room, quietly closing the door behind her. Andi sits silent, eyes soon darting over to the CHEAP BOTTLE OF WINE...

CUT TO:

22 EXT DUSK. LAST CHANCE MOTEL - POOL - LATER 22

On two glasses of CHEAP MIXED DRINKS toasting as we pull back, revealing CUERVO and AXEL sitting in front of the only mildly disgusting-looking and EMPTY swimming pool.

Being that Cuervo is SOBER, his drink is virgin.

CUERVO
To my big sister.

They each take sips.

CUERVO (CONT'D)
Man...
(coughs)
Can never get used to these without tequila in them.

IZZY is sitting adjacent to them, in his typical reading pose.

AXEL
Another toast!

He raises his cup.

AXEL (CONT'D)
To my best friend.

They "clink" the plastic cups and take sips.

AXEL (CONT'D)
The hell else would I be out here...

CUERVO
Cause we're the only family you and Izzy got these days.

He takes a sip.

AXEL
(sipping)
Touché, Brohemia.

CUERVO
Touché.

Sugar, wearing a towel and holding a bottle of WHISKEY, sits down next to Betty, who is classically disinterested in her presence.

SUGAR
Hey, girl.

BETTY
Don't know if you noticed, but the pool's dry.

SUGAR
Huh?

Betty nods at the pool.

Sugar looks into it and at the DEEP END where there's a season's worth of dead leaves and dirt.

SUGAR (CONT'D)
Guess I'll have to use my imagination.

Sugar takes off the TOWEL, revealing a WHITE BIKINI fleetingly covering her augmented frame.

IZZY's gaze finally shifts from the artwork in his book to something HUMAN.

Axel noticing his little brother leering at her and smacks him on the shoulder.

AXEL
Avert your eyes.

IZZY
I can't.

AXEL
Now.

IZZY
They're stuck.

He watches and she pours whiskey into a small plastic cup.

Betty looks at the cup like a mortal sin is being committed in front of her face.

BETTY
Oh no. Oh no-no-no-no-no.

She takes the bottle from Sugar's hands.

SUGAR
What?

BETTY
Don't. Ruin. The Whisky. Give it the respect it deserves.

SUGAR
Like how?

BETTY
Like so.

Betty takes a GIGANTIC drink straight from the bottle. When she's done, she hands it back to Sugar, exhausted from the over-the-top sip.

BETTY (CONT'D)
Here you go. Don't let it touch that plastic shit.

SUGAR
Thanks?

BETTY
Fuckin' needed that.

BETTY (CONT'D)
I'm actually surprised we're here. Never saw Casey settling down for real.

SUGAR
Cuervo was saying the same thing. I'm even surprised she beat his old ass.

CUT TO:

23 INT DUSK. LAST CHANCE MOTEL - BETTY'S ROOM 23

In on CASEY, lying above the covers on her bed, working on her vows and unable to sleep, looking up at the various SHADOWS that the lights make.

Suddenly, the NEON SIGN lights up outside, filling the room with a PURPLE GLOW.

She leans up, the light being ridiculously bright. She walks over to the window, looking through the blinds seeing Sugar and Betty, bonding over the whisky. Cuervo, Izzy and Axel are talking amongst themselves close by.

Casey grins. It was only a matter of time everyone got along together. *

CUT TO:

24 EXT NIGHT. LAST CHANCE MOTEL - POOL - MINUTES LATER 24

The "party" is slowly winding down. Betty and Sugar are polishing off a bottle of whiskey. Cuervo, Izzy, and Axel are right by them, feet hanging off the side of the pool.

SUGAR
(turns to Axel, slurred)
So...you and Casey ever hook up?

AXEL
(blindsided)
What?

SUGAR
You two ever get together?

AXEL
Define get together.

SUGAR
You know.
(beat)
Fucked?

CUERVO
Babe...Jesus.

SUGAR
Okay...Christ!
(thinks)
You two ever *make love*?

AXEL
No!

Despite his reply, we can see that he's clearly entertained the thought in the past, but let it go.

SUGAR
Why not? *

Izzy glances up from his comic and smirks at Axel.

Cuervo is getting a kick out of the conversation, even at his friend's expense.

AXEL
(to Sugar, point blank)
Casey's about to get married... to a *woman*, in case you haven't noticed.

SUGAR
Just a question.

AXEL
(stern)
Aside from promising to be her sperm donor, no. We've never been a couple at any point in our lives since we've known each other.
(microbeat)
Happy?

CUERVO
They'd have wound up as one of those brother/sister couples that sleep in two twin beds like on I Love Lucy.

SUGAR
Okay, okay.
(under her breath)
SUGAR (CONT'D)
It just looked too familiar the way you were consoling her back at the gas station.

Axel struggles to mask his annoyance. He gets up, throwing his drink down and leaves the circle.

AXEL
Come on Iz, it’s past your bed time.

Izzy shoots Sugar a patented Gen-Z dirty look then follows behind his brother.

Sugar shrugs and takes a swig of the whiskey, too drunk to realize it's empty.

Cuervo looks concerned over Axel for a moment but averts his attention to Sugar who slides closer to him.

Betty rolls her eyes, pulls up her MUSIC APP, and hits play on an up-tempo NU METAL tune.

Nearby, CASEY has entered the pool grounds and sits next to Cuervo, Betty and Sugar.

CASEY
Hey…

CUERVO
Sup.

She leans down, taking a can of LA CROIX from their ice chest and pops it open.

CUERVO (CONT'D)
Thought you were down for the count?

CASEY
I wish.
(beat)
What's up with Axel?

CUERVO
Just my date getting fuck-faced drunk and pissing him off with stupid questions.

Cuervo shoots a look at Sugar.

SUGAR
Stupid questions? I-

Cuervo cuts Sugar off before she can defend herself. She walks off in a huff, not so subtly eavesdropping on the following conversation.

CUERVO
You know, I can practically feel mom side-eyeing me right now.

CASEY
What do you mean? You're sober! She'd be proud.

CUERVO
You miss her?

CASEY
Course I do. Think about her at least five minutes a day.

CUERVO
So do I.

He looks up into the sky.

CUERVO (CONT'D)
Clear night. Maybe she can see us.

A moment.

CASEY
Maybe so. I'm gonna go for a walk. Get that 5 minutes in.

Casey gets up and walks off camera. Betty is still face deep in her phone.

SUGAR
Finally! I'm fucking horny.

Cuervo ignores her and stands up gathering his things.

Camera is behind Sugar as she reveals her breasts to Cuervo. Casey turns around catching a view.

CASEY
(laughing)
You guys be safe!

Cuervo is annoyed and dismisses Sugar again.

CUERVO
Maybe tomorrow.
(beat)
You comin' to bed or what?

SUGAR
Maybe tomorrow...

Sugar gets up and walks off in the distance. Cuervo rolls his eyes and follows her off camera.

CUT TO:

25 EXT. CAR GRAVEYARD - LATER THAT NIGHT 25

The sound of metal and rust squeaking together intertwines with porn star-like moans.

Sugar is bent over the hood of a vintage car as Cuervo thrusts behind her emotionless.

HARD CUT TO:

26 INT NIGHT. LAST CHANCE MOTEL - LOBBY 26

A needle drops onto a record.

A scratchy ambiance fills the room as BOBBI LOVE sits on a COUCH near a set of double windows.

A slow, mournful jazz tune begins to play, a female voice guiding us down a path of sorrow...

She begins flipping through a PHOTO ALBUM.

The same type of photos adorning her walls populate most of the album, though soon she gets to a section clearly in the middle of the LAS VEGAS STRIP.

She's dressed more conservatively than in the photos from her showgirl days.

Big hair, 1990s fashion with extra shoulder pads.

Her eyes gravitate towards another photo with a GROUP of people, a couple of them being children, when she suddenly SLAMS the album closed...

HARD CUT TO:

27 EXT. CAR GRAVEYARD 27

Cuervo continues thrusting Sugar on the back of the car.

HARD CUT TO:

28 INT. LAST CHANCE MOTEL - LOBBY 28

We jump ahead a few minutes - BOBBI LOVE in the middle of a DANCE routine.

NO MUSIC this time.

She's whispering to herself...

BOBBI LOVE
ONE...two...three...
(breath)
ONE...two...three...
(breath)
ONE...two...
(breath)
...three...

In the middle of the routine, we see a SINGLE TEAR stream down her face.

Her eyes turn HOLLOW as she continues rehearsing the routine...

HARD CUT TO:

29 EXT NIGHT. CAR JUNK YARD - CONTINUOUS 29

With one final hard thrust, Cuervo climaxes.

HARD CUT TO:

30 INT NIGHT. LAST CHANCE MOTEL - ANDI'S ROOM 30

Andi has polished off half of the bottle of TWO BUCK CHUCK.

A stack of wrappers and containers is already accumulating from a late-night snack or two. *

A hulking SHADOW walks past the front window.

She stops mid-drink - watching the INHUMANLY IMMENSE shadow pass. It clearly belongs to Harold...or someone ELSE.

Finishing the drink, she steps over to the window, just in time to see the shape pass.

By now, it's obviously NOT Harold...

CUT TO:

31 EXT NIGHT. LAST CHANCE MOTEL - CAR JUNK YARD 31

Cuervo zips his pants, shirtless. Sugar pulls on Cuervo's tee. She lies out on the car like she's in a photo shoot from an early 2000s Playboy. She takes a swig of alcohol.

Cuervo styles his hair in the driver side mirror.

SUGAR
(under her breath)
You sure don't fuck like you used too.

CUERVO
What?

SUGAR
Your dick was bigger with a bottle in the other hand.

Cuervo jerks the bottle of alcohol out of her hand and smashes it on the ground.

Before doing something he regrets he backs up and walks away.

SUGAR (CONT'D)
(to Cuervo in the distance)
Well fuck you too! (beat) Fucking part poopers. Guess it's just me closing down the bar as usual...

Sugar stumbles off in the opposite direction of the motel/Cuervo.

CUT TO:

32 EXT NIGHT. CAR GRAVEYARD - LATER 32

Sugar has begun wandering around the CAR GRAVEYARD. Wind begins to pick up as a storm approaches.

She continues, still mumbling under her breath, upset over Cuervo, when - she STOPS, turning back towards the HOTEL.

Everything around her is dark, nearly BLACK.

A loud clap of thunder causes Sugar to jump out of her skin. She sprints towards the motel grounds and DRUNKENLY falls, busting her chin open on the hard ground.

SUGAR
Fuck!

Sugar turns over on her back looking at the sky. Noticing her state of inebriation, she tries to steady herself and stand up.

Suddenly, something grabs her shoulders and violently JERKS her back to her feet.

She tries to scream, but that is quickly stifled as the HULKING SHAPE grabs her by the throat and squeezes hard enough to CRUSH AND CRACK her larynx. *

“IT” HEAD BUTTS her and she goes unconscious, body limply falling to the ground. *

The HAT hits the ground next to her a few feet away and begins rolling away in the light breeze.

Without any hesitation the SHAPE begins QUICKLY and VIOLENTLY dragging her across the sand and rocks.

He takes her to...

33 EXT. LAST CHANCE MOTEL - POOL ** 33

The "SHAPE" hoists Sugar into the bottom of the empty POOL with a bloodied THUNK. *

She rolls to the deepest part of the pool gritting her teeth in pain, in a DAZE. *

She looks up towards him but is unable to make out his form.

The SHAPE begins walking INTO the bottom of the pool.

Sugar tries to crawl, her fingers scraping against the pool floor, but he reaches her in a few long strides. Without warning, he grabs a fistful of her hair, yanking her head back sharply. She tries to scream again, but she chokes, gagging, every breath a desperate struggle as she writhes in his grasp. *

With a vicious, calm precision, he pushes her face into the side of the pool. THUD. Her face crashes into the wall. THUD. Blood streaks down the side of her mouth. THUD. By the third time, her face is unrecognizable, her skin battered and raw, teeth punched through her split lip. *

He releases her, letting her collapse in a heap on the cold concrete. Grabbing her by the hair once more, he drags her body toward the shallow end, her legs trailing lifelessly behind leaving a trail of blood. There, he lets her fall in a crumpled heap, hovering over her for a beat. *

He leans down, his teeth bared, and BITES into her exposed breast, his jaw clamping around her nipple. He wrenches his head back, tearing it off with a sickening rip. * *

Her body twitches as he spits out blood and torn flesh, licking the remnants off his lips. Reaching inside the wound, he pulls out her implant, a slick, distorted object now tainted with blood. Holding it up to the moonlight, he watches as the light filters through it, mesmerized by its strange, glistening form.

CUT TO:

34 EXT. LAST CHANCE MOTEL - DAWN - TIME LAPSE 34

The sun rises in the distance and the Motel's NEON SIGN loudly shuts off, accentuating Monsters Victory ROAR, which abruptly STOP.

CUT TO:

35 INT. LAST CHANCE MOTEL - BETTY'S ROOM - MORNING 35

Hanging in front of the mirror is Casey’s, well-taken care of WEDDING DRESS. Casey looks over at the still sleeping Betty and sighs.

Casey steps back, looking over it.

DEEP BREATH...

CUT TO:

36 INT. LAST CHANCE MOTEL - ANDI'S ROOM 36

Andi wakes up, groggy and hungover. The gifted BOTTLE OF WINE from the previous night is her bedmate.

And it's EMPTY.

She walks over to the CLOSET, opening it up and revealing her own WEDDING DRESS, designed as the MIRROR OPPOSITE of Casey's. *

She dusts it off with her hands a bit. It was sitting in the back of a closet before it was transported.

ANDI
(to herself)
Okay...

ANDI (CONT'D)
(beat)
...let's go...

37 INT. LAST CHANCE MOTEL - CUERVO'S ROOM 37

Cuervo wakes up.

After a moment, he realizes that he is ALONE in the room. He gets out of bed, walks around and checks the closet, bathroom...

CUERVO
Sugar?

He waits a moment...nothing.

CUERVO (CONT'D)
...Sugar?

...still nothing of course.

He gets dressed and quickly leaves the room.

CUT TO:

38 INT. LAST CHANCE MOTEL - BETTY'S ROOM - CONTINUOUS 38

Casey is holding the dress up to herself, looking in the mirror.

BETTY is passed-out DRUNK on one of the beds.

There's a KNOCK at the door, a particular rhythm used between siblings...

Casey opens it, revealing. *

CUERVO
(immediately)
You seen Sugar? She didn't come back to the room last night.

Casey holds a finger to her mouth.

CASEY
Hey! Shhh.

She nods to BETTY asleep behind her.

Cuervo nods and they step just outside of the door. Casey hanging the dress on the inside door knob and closing the door behind them..

CASEY (CONT'D)
You check the van? The other rooms? Maybe she ran off with Fred Durst Lurch?

CUERVO
Casey, I'm not fuckin' around. I"ve looked everywhere...

CASEY
When we left the pool that was the last time you saw her?

CUERVO
Yeah, well. No. We were out in the junkyard and had an argument.

CASEY
What do you mean you left her out there? Wasted and alone?

CUERVO
I figured she was going to follow me back to the hotel room.

CASEY
You ask the ex-showgirl at the front desk?

CUERVO
Came here first.

CASEY
Come on, I won't let her bite you.

CUT TO:

39 INT. LAST CHANCE MOTEL - LOBBY - MOMENTS LATER 39

An old BILLIE HOLIDAY knock-off record reverberates through the room as Casey and her brother walk into the lobby.

After a few steps, they see BOBBI LOVE dancing alone, arms wrapped around an INVISIBLE partner.

BOBBI LOVE
(to the "partner")
What'd you say your name was again?
(tilts head)
Grant, was it? Like CARY GRANT?

She goes through the motions of the invisible partner spinning her and ending up back in his arms.

BOBBI LOVE (CONT'D)
You certainly have his charm.

Casey and Cuervo watch her dance for another few moments before she notices them.

Her eyes LIGHT UP when she sees them as if she's enjoying being watched.

BOBBI LOVE (CONT'D)
Oh - didn't see you two there.
(beat)
Good mornin'.

CUERVO
The girl that came in with me last night, you seen her?

BOBBI LOVE
(fake confusion)
Now, which one was that?

CUERVO
The one with the hat.

BOBBI LOVE
The tacky one.

CUERVO
You seen her?

BOBBI LOVE
If I did I was way too drunk to remember faces.

Casey and Cuervo share a look. *

CASEY
You have cameras?

Bobbi Love looks around the room.

BOBBI LOVE
You just saw what may have been my best work.

CUERVO
(interjects)
SECURITY cameras.

BOBBI LOVE
Oh, hunny - I got 'em all over the place but those things haven't been dependable since the late NINETEEN-

NINETIES.(BEAT)
Technology, ya know? You'll never be able to replace film.

CASEY
Can we check them?

BOBBI LOVE
You can, but they only work when they wanna work.

CASEY
Maybe they worked last night.

Bobbi Love turns the record off, delicately taking the needle off of the vinyl, and takes a SINGLE STEP towards them.

BOBBI LOVE
Maybe your girl's tryin' to tell you somethin'.

CUERVO
Can we PLEASE just check the fucking cameras?

Bobbi Love throws her hands up.

BOBBI LOVE
You all were partying pretty hard. *

BOBBI LOVE (CONT'D)
Wouldn't be surprised if she headed back to Vegas to keep the party goin'...

CUT TO:

40 INT. LAST CHANCE MOTEL - LOBBY - CONTINUOUS 40 *

BOBBI LOVE *
No use anyway... Got a short in the * wiring somewhere so the goddamn * thing only switches on once a month or so.

CUERVO
Could look at it if you want me to. Free of charge...

Bobbi Love shoots him a look that says all it needs to...which we can paraphrase to "fuck off".

BOBBI LOVE
Anyway... (beat) *
I suggest the two of you get back to the experience you paid for. Weddings tend to make certain types of people crazy.
(beat)
The girlfriend'll probably come stumblin' back once the nuptials are over. I've seen it before.

Bobbi heads towards the door ushering them out... *

BOBBI LOVE (CONT'D)
Just enjoy the show.

CUT TO:

41 INT. LAST CHANCE MOTEL - AXEL AND IZZY'S ROOM 41

On IZZY, sitting on his bed and watching a NEWS REPORT on the ancient box tv in front of him with a pair of RABBIT EARS on top.

The story is about a series of MURDERS that have just taken place at a convent...but that's a story for another time...

** EDITOR NOTE: INSERT SCENE 999 *** *

Axel comes out of the bathroom, noticing the poor reception on the TV.

IZZY
What's wrong with the TV?

Axel approaches it.

AXEL
I gotcha.

Axel attempts to adjust the rabbit ears, but it just makes the signal worse.

IZZY
Jesus. How did you guys survive back in the day?

AXEL
We didn't sit in front of the TV all day.

IZZY
I can see why.

A KNOCKING at the door, frantic.

Axel opens it. Casey and Cuervo are there.

AXEL
Man, you guys look worse than me.

CUERVO
You seen Sugar?

AXEL
Why would I have seen Sugar?

CASEY
Axel, think.

He nods towards Izzy.

AXEL
I'd ask HIM. The Prince here has a bit of a crush on her.

IZZY
I do NOT!

AXEL
I saw you checking her out at the pool last night!

He turns back to Casey and Cuervo, who've already disappeared. *

42 EXT/INT. LAST CHANCE MOTEL - BETTY'S ROOM - MOMENTS LATER 42

Casey is about to open the door, when...

BETTY
(opening door; groggy)
'Sup...

They look her up and down. She's wearing a NU METAL BAND T-SHIRT and black socks pulled up almost to her knees like it's 1982 - and probably nothing else.

CUERVO
You know where Sugar went last night?

BETTY
No more than you do.

A moment. Betty turns and heads back into the room and plops down on her bed. Casey and Cuervo follow.

BETTY (CONT'D)
She had a lotta shit on her mind, man. Remember that girl you went out with Senior Year? What was her name, Taylor?

CASEY
Taylor, God...

CUERVO
Took off on Prom Night and came back before sunrise.

CASEY
Cause she'd already been cheating on you with Eric Sloane for a month...

CUERVO
She still came back.

BETTY
POINT IS - I'm willing to bet Sugar went up the road to sleep it off somewhere with vacancy. I'm sure she's fine.

CUERVO
(uneasy)
Sure.

A moment, then...

BETTY
(at Casey)
Now let's get you married...

43 OMITTED 43

44 OMITTED 44

45 INT. LAST CHANCE MOTEL - ANDI'S ROOM 45

On Andi sliding into her dress - ALONE.

46 INT. LAST CHANCE MOTEL - BETTY'S ROOM 46

On BETTY, doing Casey's hair and makeup. Obnoxiously laughing and having a good time together.

Axel tries to come in to help but is unceremoniously vetoed.

47 INT. LAST CHANCE MOTEL - ANDI'S ROOM 47

Andi doing the same, but ALONE.

She hears Casey and Betty's laughter through the wall and a wave of sadness crosses her face.

She pulls out a worn-down PHOTOGRAPH that has been folded in half. The camera focuses on the cursive writing on the back of the photograph.

"TO OUR ANGEL, LOVE MOM & DAD"

Andi's eyes begin to swell with tears, she has to stop herself before ruining her makeup. She smiles.

She folds the photograph back in half and places it back in her bra on the side closest to her heart. She stands up and exits the room.

CUT TO:

48 INT. LAST CHANCE MOTEL - BETTY'S ROOM 48

*

49 INT. LAST CHANCE MOTEL - ANDI'S ROOM 49

She sits there a moment, staring back at her reflection. A KNOCK at the door.

She gets up, takes a deep breath, and answers it.

It's BOBBI LOVE.

Their eyes lock. There's something else going on here between them - but we don't quite know what yet.

BOBBI LOVE
Well don’t you look pretty... You ready?

On Andi as we...

CUT TO:

50 INT. LAST CHANCE MOTEL - DINER - MINUTES LATER 50

On ANDI walking alone in the empty DINER that looks like it's straight out of the 1950s, decor, equipment, and all. In the corner of the space is an old JUKE BOX. She approaches it, looking through its catalog. There's NOTHING from this century, much less the past few decades.

However, she gets to something PERFECT.

She pops a coin in and makes her selection. "EARTH ANGEL" (or a similar movie-friendly priced licensed classic) comes on.

The first notes begin playing over the crackling record. Andi leans over it, listening to the music.

From the OTHER SIDE of the Diner, we see a large shape stepping into the frame outside the window, watching her dance slowly and PASSIONATELY to the song.

As if she FEELS that she's being watched, Andi's eyes open.

There's no one there.

The MUSIC continues as we...

CUT TO:

51 EXT. LAST CHANCE MOTEL - WEDDING GROUNDS - MINUTES LATER 51

We are outdoors, the center of the motel grounds decorated similar to a Joshua-Tree style wedding venue complete with a podium in the center and rows of benches.

A SERIES OF IMAGES UNDER MUSIC as the procession begins. BETTY is the MAID OF HONOR.

AXEL is the, ahem, BRIDESMAID.

And finally, CUERVO is the FLOWER GIRL as well as the RING-BEARER - and a damn pretty example of both.

IZZY sits in the rear bench, trying to sneak glimpses of his book without anyone noticing.

There are musical instruments abound. Harold, dressed in ROCKABILLY-THEMED robes playing a weird tune on his pawn shop guitar as Bobbi Love enters.

BOBBI LOVE
(to the group)
It's showtime.

Harold continues playing a weird tune on the drums as Bobbi Love begins a bizarre DANCE - similar to the one she's been rehearsing in the lobby.

Despite the utter strangeness of it, the group finds themselves HYPNOTIZED by her movements - except for IZZY, who rolls his eyes.

Bobbi Love finishes her dance and Harold begins a new “song”.

Suddenly - at the opposite end of the grounds walks CASEY, holding a bouquet.

Time seems to STOP for Andi, her eyes locked on Casey.

Casey approaches in SLOW MOTION, eyes lowered.

Once she gets a few feet from Casey, she raises her eyes at her.

Their EYES LOCK. Time proceeds even SLOWER.

FAR IN THE BACK ROW, Bobbi Love sits down, watching the ceremony proceed.

HAROLD approaches the podium and spits a huge chunk of tobacco onto the ground.

HAROLD
Dearly beloved...we are gathered here today...

A SINGLE TEAR from Bobbi Love.

In a SERIES OF SLOW MOTION cuts - rings are put on fingers - vows are exchanged - candles are lit - tears flow, then finally...

HAROLD (CONT'D)
I now pronounce you...WIFEY and WIFE... (at them) You may now kiss the bride.

They KISS as we -

CUT TO:

52 EXT. LAST CHANCE MOTEL - WEDDING GROUNDS - MOMENTS LATER 52

BLISS. CONTINUING in slow motion as Casey and Andi, arm in arm, kiss again.

Casey turns, tossing her BOUQUET into the air.

Betty, Cuervo, and Axel reach for it, when...

CUERVO catches it.

Ouch.

Izzy smiles, pretending to be involved as he pulls his comic book closer. Now that everyone is occupied he starts to inch away from the celebration with his book.

Cuervo's eyes go wide, but he doesn't want to ruin his sister's big moment, so he pretends to FUMBLE it and BETTY retrieves it.

CUT TO:

53 EXT. LAST CHANCE MOTEL - DINER 53

Izzy continues walking, eyes still glued to his comic.

Eying the diner...

IZZY
(to himself)
Finally some peace and quiet.

Izzy take a set and gets back to his comic, wiping the sweat from his forehead.

He doesn't notice MOVEMENT going on in the kitchen.

CUT TO:

54 EXT. LAST CHANCE MOTEL - WEDDING GROUNDS - CONTINUOUS 54

Betty picks up the bouquet, making a "FACE" to it while the others laugh at her. Cuervo heads over to the mile long Vegas style buffet with an assortment of meat, seafood, a giant turkey in the center.

The girls frown at the paltry attempt at a buffet.

Harold walks up on stage and clears his throat to get everyone's attention.

HAROLD
Now! A special treat from one of Vegas' finest.

Harold spits onto the stage and exits as music begins to play.

BETTY
(to Casey and Andi)
I guess her little number earlier was just a preview.

Bobbi Love enters stage left. She dances around the stage to a classical number.

CUT TO:

55 EXT. LAST CHANCE MOTEL - DINER 55

CRUNCH! A loud, sickening sound comes from the kitchen...

His attention is DIVERTED away from the book.

He looks in the direction of the sound and slowly creeps toward the kitchen...

56 EXT. LAST CHANCE MOTEL - WEDDING GROUNDS 56

Bobbie Love continues performing for a dismissive crowd.

Cuervo walks aside with his food as the others continue to watch in disbelief of the performance while talking amongst themselves...

Cuervo spots something out of the corner of his eye and moves to...

The "It's Not Gonna Lick Itself" hat. Covered in dirt and bloody finger prints.

57 INT. LAST CHANCE MOTEL - DINER KITCHEN 57

...Bobbi Love's OTHER son, the malformed, hulking MONSTER has just finished DISMEMBERING Sugar's body. He playfully plops various body parts into labeled containers.

KIDNEYS.

HEARTS.

LIVERS.

SPLEENS.

TEETH.

Izzy stumbles back at the scene loudly dropping his book.

His eyes go wide...Monster SMILES...

58 EXT. LAST CHANCE MOTEL - WEDDING GROUNDS 58

Cuervo kneels down, looking at the HAT...

There is a spattering of BLOOD on it.

59 EXT. LAST CHANCE MOTEL - DINER KITCHEN 59

Izzy stumbles in fear but quickly gets to his feet and HEADS FOR THE DOOR.

Monster follows him...

60 EXT. LAST CHANCE MOTEL - WEDDING GROUNDS 60

Cuervo picks it up, and turns the naughty phrase around so he can read it.

Some of the blood spatter has FINGERPRINTS on it...

All the air is KNOCKED out of him at once. He DROPS THE PLATE OF FOOD and turns to the others.

Betty, Andi, Casey and Axel are still talking amongst themselves over Bobbi Love's performance. Bobbi Love is growing upset due to the lack of attention.

Cuervo walks in between the group, still holding onto the bloodied hat.

Everyone's eyes are on the hat as the celebration comes to an ABRUPT STOP...

The vibe does a COMPLETE 180. Cuervo crushes the hat in his fist and approaches Bobbi Love at the stage.

CUERVO
(stepping towards the stage)
Hey!

Bobbi Love continues her performance.

CUERVO (CONT'D)
HEY!

Bobbi STOPS, turning towards Cuervo.

Cuervo holds up the hat.

CUERVO (CONT'D)
Got drunk and went to Vegas, huh?

Cuervo throws the hat, hitting Bobbi Love in the face.

CUERVO (CONT'D)
(frustrated)
Where is she?

By now, the rest of the party, including HAROLD, have turned their attention to Cuervo and Bobbi Love.

BOBBI LOVE
(beat; glances at hat)
The loose-lookin' one. Like she got hit by a meteor shower. (at Cuervo)
Beats me. I just work here.

They don't see HAROLD making his way around the guests.

Suddenly, they see Izzy running towards them, the frightening looking MONSTER behind him.

IZZY
She's dea-

Izzy sprints, his breath ragged as he glances back at the monstrous SHAPE barreling toward him. He stumbles, fear overtaking him, just as the Shape grabs a rusted SHOVEL lying next to the Diner.

With terrifying precision, the Shape thrusts the shovel into Izzy's back, the metal piercing through his torso and jutting out through his chest with a sickening crunch. Izzy freezes, his face contorted in agony, his body helplessly suspended on the blade.

AXEL, standing a few yards away, watches in horror, his mind struggling to process the grisly scene unfolding before him.

The Shape slams Izzy's body to the ground with brutal force, planting one boot on his back. With a single, violent yank, he pulls the shovel out, leaving a gaping wound as Izzy's body convulses and falls limp.

Axel
(still in shock)
IZZY!!

A few feet away, Bobbi Love stands on the stage above the chaos, smiling. She grabs her revolver from her waist band and walks to center stage for a good view.

BOBBI LOVE
(joyfully, bringing the gun to her face)
Awe. I just love weddings.

Casey is NEAR-CATATONIC.

CUERVO
(towards Casey)
Come on!

Cuervo drags Casey with him towards their HOTEL ROOMS. Betty and Andi right with them.

Axel begins to make a run for Izzy as Harold pops up behind him and knocks him out, pinning him to the ground and binding his hands and feet. *

BETTY
(voice shaking)
Shit he’s got Axel!

CUERVO
(out of breath)
Come on!

The block of rooms are in sight.

50 feet.

40 feet.

30 feet.

20 feet.

Suddenly Monster appears from between the buildings, savagely yanking her to the ground.

Casey is on the ground holding her shoulder. Andi attempts to aid her before Monster throws her onto her back beside Casey. *

Bobbi Love approaches in the distance, revolver in hand. She lets off two rounds in an attempt to shield her son from the groups retaliation.

Betty and Cuervo shield themselves from the gunfire behind anything the can find for cover. Cuervo locks eyes with Betty. *

CUERVO (CONT’D)
(at Betty)
Stay here!

Andi is flat on her back, looking up at Monster as he steps down on her head with his boot. Forcing her head into the dirt, off to the side, to watch Casey struggling to stay alive. Gunshots are flying and chaos is all around. *

BOBBI LOVE stands a few yards away, reloading the gun.

Cuervo looks around the pillar to see Casey laying on her back dazed. *

Bobbi Love raises the gun, taking aim at Casey and attempts to pull the trigger when it jams. *

Cuervo notices Bobbi Love messing with the gun and makes a run for Casey.

The gun accidentally goes off in Bobbi Love's hands, just missing Casey but hitting Cuervo in the gut. *

Harold appears behind him, dragging in and dropping Axel's passed-out body to the ground.

HAROLD
(to Bobbi Love)
Goddamn Momma! You almost blew my pecker off!

Harold grabs the struggling Cuervo in a chokehold as Casey lets out a gut-wrenching scream to amplify the chaos. Betty decides to run, but monster grabs her by the hair as she screams. Monster takes his boot off Andi's face in the struggle, freeing her to aid Casey.

Casey is paralyzed watching her brother suffer. Cuervo summons just enough breath to yell...

CUERVO
CASEY, RUN!

Bobbi Love uses her last bullet to shoot at Casey and Andi's direction, missing yet again. She has to reload.

Andi drags Casey away, running into the diner.

Bobbi Love chases after them while reloading her gun.

61 INT. LAST CHANCE MOTEL - DINER - CONTINUOUS 61

Casey and Andi RUSH in, making it halfway through the dining room floor when Bobbi Love enters.

She raises the gun...AIMS...BLAM! The gunshot obliterates a napkin holder sending debris flying.

Casey and Andi dive towards the edge of the counter.

BOBBI LOVE
(as she stalks)
Here comes the bride...here comes...the...BRIDE...

CUT TO:

62 EXT. LAST CHANCE MOTEL - PARKING LOT 62

BETTY is trying to fight MONSTER away, scratching him with her long, GOTHED-OUT nails and KICKING HIM with her combat boots, which oddly match her wedding attire.

CUT TO:

63 INT. LAST CHANCE MOTEL - DINER 63

Bobbi Love continues closer...

Andi looks at Casey, tears STREAMING down her face. She appears resilient, despite her entire world crashing down around her.

ANDI
(towards Casey)
I'm sorry...

CASEY
(under her breath)
What?

On BOBBI LOVE'S SHOES as she gets closer to Casey and Andi.

BOBBI LOVE
Before I kill you, I just gotta ask a favor...

BOBBI LOVE (CONT'D)
...could ya'll be good little dolls and stand up straight so I don't hit your organs? *

Andi puts her HAND over Casey's mouth, silencing a WHIMPER. *

BOBBI LOVE
Do I hear a little wedding mouse?

Andi and Casey split the diner bar, Andi standing to face Bobbi Love while Casey sneaks behind the counter, quietly grabbing a coffee decanter. * *

Andi and Bobbi Love square off in silence as Casey quickly pops up surprising Bobbi Love by smashing the coffee pot over her head.

Bobbi Love SCREAMS and stumbles forward, firing off a round as she falls, UNCONSCIOUS.

They look at her for a moment but don't want to waste any time...

CASEY
Keep going...keep going...

They EXIT out of the back of the DINER... Andi grabbing Bobbi Love's revolver on the way out... * *

CUT TO:

64 INT. LAST CHANCE MOTEL - CASINO ROOM - ROULETTE ROOM 64

MONSTER drags Betty, still fighting into what used to be a small CASINO near the back of the Motel - a relic from the 1960's, with appropriate music playing over a speaker in the background.

There's DUST and COBWEBS everywhere. The speaker above * crackles now and again as it's probably just as old as the Slot Machines and Tables around them.

BETTY
Let me go - let me FUCKING GO you FUCKING PIECE OF SHIT...

Monster SLAMS Betty face first over a torture table.

She groans in a daze.

He shackles her feet and hands.

MONSTER laughs - DISTORTED and GURGLY. *

At the end of the room is a huge ROULETTE table. *

CUT TO:

65 EXT. LAST CHANCE MOTEL - LOBBY 65

CASEY and ANDI run as fast as they possibly can into...

66 INT. LAST CHANCE MOTEL - LOBBY - CONTINUOUS 66

CASEY
There gotta be keys in here or something for that pink piece of shit in the parking lot.

She goes behind the front desk and frantically begins DIGGING through the drawers.

Andi walks slowly along the walls, looking at Bobbi Love's Photos.

CASEY (CONT'D)
(looking up)
Help me out, huh? The phone...

Andi cuts Casey off and runs to the phone. Grabs it and fake dials 911.

ANDI
(MORE)

CASEY (CONT'D)
I'll call the cops. You keep looking!

Andi walks over the door peeking outside. *

ANDI
(into the phone, voice shaking)
Please—you have to send someone. We're out here at the Last Chance Motel, just off Highway 14. There's…
(voice catches)
There's someone out here. People are dead, my friends… I don't even know if anyone else is left.

She glances around, eyes wide, as if the Shape could appear any second.

ANDI (CONT'D)
(whispering, desperate)
Yes. Last Chance. Hurry. They... are still out there. They won't stop. You don't understand. Please, just send anyone you can.
(listens)
Yes. Okay we are locked in the lobby.

She chokes back tears, trying to steady her voice.

ANDI (CONT'D)
Please hurry. I don't know how much longer we can keep running...

Casey puts her head back down, leaning towards a CABINET next to the drawers that she begins rummaging through.

Andi looks back at Casey who has just emerged with a SET OF KEYS that she's quickly thumbing through.

Most of them are generic keys from hardware stores.

CASEY
(to herself)
Come on...come on.

Casey reaches the end of the keyring - finding the Cadillac key broken - tossing it across the room in frustration while holding back her emotions. She drops to the floor defeated. * * *

ANDI
(MORE)

CASEY (CONT'D)
(into phone)
Hello? You there? Fuck the line went dead. But they know where we are. That's good.

Andi continues rummaging through a drawer before she approaches Casey on the ground.

Casey looks up at Andi.

ANDI
We might not have keys, but we have this.
(holds up the revolver)
This will keep us safe until help arrives.

Their eyes meet on the revolver Andi is holding. Tears stream down her face. Casey hugs her.

Andi seems determined to get them out of there.

CUT TO:

67 INT. LAST CHANCE MOTEL - CASINO ROOM- ROULETTE ROOM 67

Harold slams Axel's waking body onto a table next to Betty. Clamping restraints around his wrists and ankles.

HAROLD
(to Monster)
You didn't think I was gonna let you have all the fun yourself, did you brother? *

Monster stands over Betty, now cackling like a CHILD. Harold brushes past him, spinning a ROULETTE WHEEL above their tables. Monster applauds in delight.

Rather than numbers, the names of various BODY PARTS are on each space.

Suspense...then it lands on "TONGUE".

UPROARIOUS LAUGHTER.

Axel looks over...

AXEL
Don't you fucking touch her...

MONSTER creeps up pinning her head to the side, She squirms.

BETTY
No...no, no, no...

AXEL
You sick MOTHER FUCKERS!

Axel tries to PULL himself up, but HAROLD quickly slams his HANDS DOWN holding a knife to his throat and stuffing a dirty rag in his mouth.

HAROLD
(petting his head)
Wait your turn, pretty boy. Here's a freebie for ya.

Monster reaches into her MOUTH with a pair of rusty pliers, pulling out her TONGUE...

BETTY
(gagging)
NOOOOOOO...

Monster looks to Harold who excited walks over with a hammer and gutter nail and swiftly hammers her tongue to the table.

Betty screams.

Axel screams through the rag in his mouth.

AXEL
Betty...Betty...

Her eyes pivot towards his.

Harold and Monster cheer in delight.

Harold moves to spin the wheel AGAIN.

The wheel STOPS.

It says "KIDNEYS".

Betty grits her teeth, tears streaming her mascara all over her face.

MONSTER approaches Betty with a LARGE SERRATED BLADE tracing her lower back like a demented surgeon.

He stabs opening her back.

Betty rips her tongue from the nail, sending blood gushing out of her mouth through gurgled screams.

She slowly dies as Monster reaches his arm into the gaping wound at elbow length, presumably HARVESTING her kidney as Axel looks on in horror.

CUT TO:

68 INT. LAST CHANCE MOTEL - LOBBY 68

Andi sits down in front of Casey.

Their eyes meet.

ANDI
It's my turn to take care of you.

She wipes away a TEAR from Casey's face.

ANDI (CONT'D)
You know that can't be the only key to that Cadillac.

Andi looks around, then nods towards the SECURITY ROOM.

ANDI (CONT'D)
(grabs the revolver)
Lock yourself in there and I'll keep looking.
(beat; back to Casey)
Don't come out unless you're sure it's me. Or the cops.

A moment...

ANDI (CONT'D)
You can do that for me, right?

Casey eventually nods, wiping away another tear.

ANDI (CONT'D)
Good. Let's get you safe.

Casey nods again and Andi leads her into the room.

CUT TO:

69 INT. LAST CHANCE MOTEL - CASINO ROOM - ROULETTE ROOM 69

CLOSE ON the wheel spinning again... *

This time the wheel lands on BABY-MAKER. *

Before the boys can move, Bobbi Love enters, her nose bleeding as she appears weakened. *

HAROLD
Perfect timing, momma! We just spun your favorite-

BOBBI LOVE
(interrupting)
BABYMAKER!!!

Bobbi Love continues into the room and places herself at Axel's table.

BOBBI LOVE (CONT'D)
(scanning the room)
Where the hell's the other one?!

HAROLD
Already put him on ice, momma.

She nods in approval giving Betty a cursory look, and proceeds to put her hand down Axel's pants. She smirks. *

BOBBI LOVE
Cock or balls, cock or balls... Decisions, decisions! Eenie, meenie, minie, mo... catch a shaft or sack by the toe. If it squeals... maybe I'll let it grow...

Bobbi Love begins to squeeze Axel's genitals as he writhes in pain.

Harold is jumping around in enjoyment.

Axel screams through the rag still in his mouth. Bobbi Love releases the genitals and pulls her hands out of his pants. *

BOBBI LOVE (CONT'D)
Do your thing, boys.

MONSTER approaches Axel, aggressively stripping his pants off of him as his penis is exposed.

NOTE FOR ACTOR: Scene will be filmed above waist

MONSTER grabs onto Axel's penis and pulls up, bringing his SERRATED BLADE along the shaft. Detaching his penis from his body. He removes the rag from Axel's mouth just long enough to shove his dismembered penis down his own throat, forcing his mouth closed with his large hand.

Axel screams throughout choking to death on his own penis. *

BOBBI LOVE (CONT'D)
(to MONSTER)
Put this big dick stallion in the freezer for me later.

Bobbi Love grabs a revolver from the table nearby...

BOBBI LOVE (CONT'D)
Let's spread out and find the others...

71 INT. LAST CHANCE MOTEL - SECURITY ROOM - CONTINUOUS 71

Casey wipes away another tear, then looks over at the CONTROL PANEL nearby.

She stands, walking over to it, looking over the controls. She begins hitting various BUTTONS and the panel LIGHTS UP...

A computer monitor flickers on, with a video paused on a graphic still.

Casey takes a step back, hand over mouth.

ON THE MONITOR: Harold is hulked over a headless groomsmen pulling intestines upward out his stomach cavity. Posed like a proud hunter with his prize.

Casey approaches the monitor again. Morbid curiosity?

Casey clicks the mouse and it closes the video file, revealing a library of folders titled by year on the desktop.

She clicks on a folder titled WEDDINGS 2023.

CUT TO:

72 EXT. LAST CHANCE MOTEL - WEDDING GROUNDS 72

Tilt up from BLOODY SHOES.

Bobbi Love - crimson and wounded - rounds the corner of the building, raising her gun in front of her face.

She steps around and - ANDI is staring back at her.

Their eyes lock - a moment passes between them.

CUT TO:

73 INT. LAST CHANCE MOTEL - SECURITY ROOM - CONTINUOUS 73

A bunch of .mp4 files are inside. Casey clicks on the first video.

A few seconds of black screen before it cuts to a man strapped to a table. He is our groomsman from the beginning.

73A INT. LAST CHANCE MOTEL - ROULETTE ROOM - SEC FOOTAGE 73A

The audio from the video plays loudly like an ASMR video as he’s burned from a torch by Monster and Harold.

73 INT. LAST CHANCE MOTEL - SECURITY ROOM - SAME 73

Casey tries to close out the video in a panic which causes various video files to open up all at once.

The monitor begins malfunctioning and blasts the audio from several different torture videos as they pop up on the screen like spam. *

73B INT. LAST CHANCE MOTEL - ROULETTE ROOM - SEC FOOTAGE 73B

Man is stabbed to death by Harold.

73C INT. LAST CHANCE MOTEL - ROULETTE ROOM - SEC FOOTAGE 73C

Dude getting sawed up and organs harvested by Monster

73D INT. LAST CHANCE MOTEL - ROULETTE ROOM - SEC FOOTAGE 73D

Several wedding party members will be mutilated and tortured. Wheel spinning, Harold and Monster do their work.

73 INT. LAST CHANCE MOTEL - SECURITY ROOM - SAME 73

Casey is panicking as the sound grows more intense with each file that opens, revealing her hideaway spot.

Casey finds the power cord and pulls it from the outlet. She also notices a phone blocker plugged up beside the monitor.

The sound drops immediately when she stands back up revealing that MONSTER is in the room with her. He begins to ATTACK her, throwing her much smaller body into boxes of DVD's.

Casey cannot reach the revolver she left on the control panel so she begins throwing anything she can at Monster as he attacks her. He bends down and grabs her by the neck, pulling her body off the ground as if it was weightless.

Casey is kicking her feet violently as she gasps for air.

Monster playfully starts hitting Casey's chest and torso with his bare fists, cracking numerous ribs.

Casey spits out blood.

Monster is about to finish her off when - Andi enters the room.

ANDI
HEY.
(eyes Casey and smiles)
You can't have all the fun.

Monster drops Casey.

Andi approaches Monster and knees him in the groin.

ANDI (CONT'D)
That's for earlier. Boot to the face? Really?

Casey looks up at Andi, tears in her eyes. Casey can't believe what she's seeing.

ANDI
Let's take you out to see... Mrs. Bobbi Love my sweet little bride.

74 EXT NIGHT. LAST CHANCE MOTEL - WEDDING GROUNDS - CONTINUOUS 74

By now the SUN HAS set outside. The NEON SIGN illuminates the grounds.

Monster and Andi plop Casey down in front of Bobbi Love and Harold.

BOBBI LOVE
(walking into the room with Harold)
Awe, it looks like I found the after party.

Andi walks over and stands beside Bobbi Love and Harold while Monster holds Casey.

CASEY
(to Andi)
So what? You just brought us out here to slaughter us all?

SHOCK. DISBELIEF. CONFUSION...

ANDI
What can I say, it's the family business.

CASEY
Family? What do you mean? You know these fuckers??

Andi nods.

ANDI
Yep. She’s my mamma and these idiots are my brother. SURPRISE.

Casey's hope starts to wither.

CASEY (CONT’D)
(beat)
What have the last year of my life been, huh? A trap to get me here??

CASEY (CONT’D)
I thought...we were gonna spend the rest of our LIVES together...

Bobbi Love and Harold laugh.

She continues talking to distract them from harming her further.

CASEY (CONT’D)
I love you. I love you so much.

Suddenly, Casey makes a move toward Andi.

Bobbi Love pulls the small handgun from the torture room out and aims it at CASEY. *

BOBBI LOVE
STOP.

Casey freezes and turns towards her, staring. There's an unexpected and awkward silence. Andi, Harold and Monster gather around their mother.

BOBBI LOVE (CONT'D)
(beat)
You aren't gonna ask me why we do this? You aren't just a little bit curious?

Silence. Tension, then...

Casey takes a step forward, Bobbi Love lets off a shot at her feet.

BOBBI LOVE (CONT'D)
Ask me.
(beat)
Ask me why...
(beat; step)
Come on...

CASEY
I don't give a fuck.

Bobbi Love lowers her head, disappointed.

BOBBI LOVE
Well, I'm gonna tell you anyhow...
(approaching Casey slowly)
Andi's Daddy came to me with the idea way back when. Just one body paid our bills for a year.
(beat)
That was before inflation of course. Now it's more like five bodies... Anyway -

CASEY
(to Andi)
Is that true?

No reply.

Behind Bobbi Love, Andi, Monster and Harold watch.

CASEY (CONT'D)
(single tear)
I really did LOVE you...

Bobbi Love's gun barrel is now just inches away from Casey's chest.

Monster and Harold look on in excitement.

BOBBI LOVE
Well, love doesn't keep the lights on, sweetheart.

Time slows down, Casey takes a breath, and in a quick move, grabs her gun-hand, pulling Bobbi Love forward and head butting her hard.

Bobbi Love crumples, her face gashed, dropping the revolver in shock.

Casey quickly grabs Bobbi's gun, having caught the Bobbi's children off guard. She backs up slowly, training the gun on the trio. Monster and Andi kneel down catering to their mother. Harold takes only a beat to look her over then comes charging Casey like a maniac.

Casey unloads two bullets into Harold's chest. He doesn't fall immediately, but staggers toward her with his last moves, falling right at Casey's feet.

Bobbi Love opens her eyes, looking up at Andi and Monster, and over to the now dead Harold.

BOBBI LOVE (CONT'D)
My baby...

Monster and Andi help Bobbi Love to her feet, Casey is frozen in place with the gun trained on the remaining family. *

ANDI *
You bitch! You just killed my brother.

Andi sheds a few tears for Harold, but breaks into a giggle, stepping to the forefront.

ANDI (CONT'D)
Why can't you just give up already? You don't have enough bullets for all of us.

CASEY
(voice shaking through tears)
(beat)
You don't have to stay here.
(beat)
(MORE)

CASEY (CONT'D)
Come with me, I'll fill them with bullets and we can go home.

ANDI
(smiling)
Go home. Yeah... Let's go home.

Andi inches towards Casey.

ANDI (CONT'D)
Let's go home Case.

Casey begins stepping backward unsure of Andi's intentions.

ANDI (CONT'D)
(distracting Casey)
What the fuck does that even mean to you? Home? (beat) THIS is my home. It's always been my home.

Casey can see she's lost this battle, if there ever was one. She raises the gun and pulls the trigger...

Andi dodges just in time with the bullet grazing her and spinning her to the ground in time to see it hit Bobbi Love square in the chest.

Monster clocks this for a second then letting out a guttural, animal scream into the night, lunges toward Casey who unloads the remaining bullets into him until the gun just clicks.

He drops, first to his knees, then lands facing his mother, who stares at her now broken family. She sheds a tear for her sons...

BOBBI LOVE
(spitting up blood)
My babies. Look at what you've done to my beautiful babies.

CASEY
You and your babies can go straight to hell.

Bobbi Love is now struggling to breathe through the physical pain and witnessing her family's deaths. Casey stands over her in victory...

BOBBI LOVE
You never stood a chance. Our Andi will always choose her family. *

CASEY
Fuck your family!

Casey collapses the ground with the bloodied gun and sucks in * air in big gasps.

CASEY (CONT'D)
Guess I won't have to worry about a shitty mother-in-law.

Andi groans nearby, driving Casey to start reloading the revolver quickly as she notes a few bullets on the ground around Bobbi Love. Behind her, Andi sits up dazed.

Andi notices BLOOD dripping from her head. A bullet must have grazed her face.

She stops, touches herself, and then turns to Casey.

ANDI
You shot me.

CLACK! Casey closes the revolver barrel only having managed to load three rounds.

Andi starts towards Casey, looking down at the blood on her hands.

HER blood.

CASEY
(mocking)
I didn't mean to...

ANDI
You fucking SHOT ME IN THE FACE!

Andi SCREAMS - tackling Casey to the ground as they struggle for control of the gun.

Behind them, despite being in the middle of BLEEDING OUT, Harold gets to his feet.

BLAM!

In their struggle, the gun goes off, accidentally shooting Harold in the NECK.

He stumbles back into his drums, looking down in disbelief at * the MASSIVE gunshot wound in his neck as he is now bleeding * out from TWO wounds.

Andi and Casey both stare at the chaos.

ANDI (CONT'D)
(crying)
Fuck! Fuck!

Casey is redirected as a bullet nearly hits her with Andi in hot pursuit, turning her to the...

75 INT. LAST CHANCE MOTEL - DINER/KITCHEN - CONTINUOUS 75

Casey enters the kitchen, aghast to see a partially dismembered SUGAR in the kitchen sink on ice.

She immediately spots a set of KNIVES set out beside a gaudy 3-tiered pink and white WEDDING CAKE. The cake is topped with a large, tacky metal wedding topper - held in by a metal rod.

CASEY
(to herself)
Really? A fucking cake?

She grabs the cake knife just as...

BLAM!

Casey ducks as bullet hits the cake, sending icing, decorations and cake chunks splattering onto the floor.

CLICK... CLICK.

The gun is empty, in pure rage, Andi chucks the gun at Casey, who dodges and charges Andi stabbing her in the leg.

ANDI
AHHHHH!

Andi shoves Casey off, sending her BACK against the prep table. *

Both are in pain. They struggle to get up.

ANDI (CONT'D)
No more pleas for me to come home?

Casey pulls herself up with the PREP TABLE grabbing a lunch tray for defense as Andi pulls the knife from her own leg and lunges at Casey.

ANDI (CONT'D)
What's the matter? You don't want me anymore?

Casey uses the tray to block her strike sending the knife flying.

Andi throws a wild punch that's smacked away by Casey sending Andi dazed against the prep table momentarily.

Casey grabs her by the hair and begins violently smashing her head against the counter, finally breaking the sink and sending Andi to the floor dazed.

Casey takes a moment then lunges to finish her off, but Andi catches her off guard with an elbow to the gut, sending Casey face to face with Sugar.

ANDI (CONT'D)
YOU DON'T WANT ME??

Andi stalks down Casey, grabbing her shoulder and whipping her around, but Casey clocks her across the face with a pitcher full of ice.

Andi backs away dazed and begins throwing anything she can find at Casey to distract her as Casey grabs for the discarded cake knife.

SMASH!

Andi throws a bottle shattering near Casey who rushes her stabbing with all her power, but Andi manages to catch her motion and the two wrestle over the knife, Andi banging Casey's wrists against the griddle until she let's go... then sends her to the wall near the walk in cooler door.

Andi takes Casey by the hair and smashes her head repeatedly in the door, until Casey stops her by thumbing her stab wound from earlier.

In this moment, Casey sees what appears to be a lifeless CUERVO in the corner of the cooler.

With new rage, she rushes Andi, grabbing a frying pan off the stovetop and swinging wildly.

Andi dodges and grabs Casey in a choke hold, strangling the life out of her as she lowers Casey to the ground...

Like a night in shining armor, CUERVO suddenly appears behind Andi, punching her and sending her flailing to a nearby table.

CUERVO
(to Casey)
Get outta here!

As Cuervo makes another move to Andi, she quickly grabs a nearby knife shoving it into his abdomen, Casey watching all the while in horror.

Andi grabs the cake topper, shoving it into his eye before he drops to the ground near a crumbling but barely conscious Casey.

He falls to his knees before falling face first into the kitchen floor, shoving the metal rod through the back of his head.

Casey screams.

CASEY
No!!

ANDI
Guess we're even now.

Casey summons whatever anger is left in her grabbing a plate and delivering a crushing blow across Andi's face.

She grabs a fire extinguisher and delivers a final blow to Andi... *

CASEY
Dishes are done, man...

The Kitchen is trashed - a WAR-ZONE. Casey goes to Cuervo to check him for a pulse or any sign of life.

Turning him over, she notes his lucky rabbit foot peeking from his pocket.

THE KEYS!

Grabbing them, she runs to...

CUT TO:

76 EXT. LAST CHANCE MOTEL - MOTEL PERIMETER - CONTINUOUS 76

Casey runs towards Cuervo's Van in the parking lot, hoping she can start it.

Andi appears, not too far away from her, brandishing the * knife. *

Casey grits her teeth clenching the keys - the ENDS of them protruding out from between her fingers - stopping Andi mid-stab, and then PUNCHING Andi in the face, the KEYS having stabbed one of her cheeks.

She PUNCHES her again. More stab wounds. Andi spins in a daze and then FALLS.

Casey tries to run past her, but Andi grabs her ankle, forcing her face-first into the ground, losing the keys in the process.

She crawls on top of Casey's back, raises the knife, and STABS Casey in the upper back.

The wind is knocked out of her. Casey doesn't scream.

She closes her eyes tightly and catches her breath.

Despite the pain, she's able to spin over, knocking a wounded Andi (and the knife) off in the process.

She kicks at Andi, but Andi manages to raise the knife AGAIN, bringing it down into Casey's belly.

This time Casey DOES scream, the blood beginning to enter her esophagus.

CASEY
AHHHHHUUUHGHHHHHHHRRGGGGGG...

Andi TWISTS the knife, leaning in CLOSE to Casey.

The WILD look in Andi's eyes continues growing.

Casey begins HYPERVENTILATING.

ANDI
Till death...

She twists it AGAIN.

CASEY
AAAAHHHHH! AHHHHHHHGGGG!!!

The pain is unbearable. She inhales and exhales quickly.

SWEAT trickles from her brow, mixing with the blood and creating a disgusting layer of gore encapsulating her.

Casey's skin turns GHOST white. She strugles and pulls herself out from under Andi, the BLADE ripping her lower belly.

She crawls away, holding the wound as it profusely bleeds. *

ANDI
...do us part...

She JUMPS at Casey, who quickly grabs the rock from under Cuervo's Van tire and spins around just in time to catch Andi across the face.

Casey gets up and begins an adrenaline-fueled DASH towards the motel lobby. *

77 INT/EXT - LAST CHANCE MOTEL - LOBBY 77

Casey SLAMS the door behind her, holding it shut with all her weight and remaining strength. * *

On the other side, we hear Andi's body SLAM into it and begin PULLING on the door, knife in hand. *

The only sound is a mixture of various obscenities. *

Casey looks down at the door handle already slipping from her bloodied hands. * *

She looks towards the RECEPTION DESK, spotting the telephone Andi faked the 9-1-1 call from earlier. * *

She takes it in one hand, fully aware of the DOOR about to come open and allow Andi into the room. * *

She dials 9-1-1.

It rings...

The DOOR is close to slipping... *

OPERATOR (O.S.)
(over phone)
9-1-1 what's your emergency?

Casey is about to speak, when...

CASEY
(gurgly)
I'm...at...theeeeeegrrgggggghhh...

Her THROAT and esophagus are full of TOO MUCH BLOOD to make out a coherent sentence. *

OPERATOR (O.S.)
(over phone)
Ma'am, are you there?

She still can't muster a word.

OPERATOR (O.S.) (CONT'D)
(over phone)
Do you need assistance?

Casey is close to forming a WORD, when...

CASEY *
(into phone) *
Heeellllluuuuuppppppp... *

Finally, when the DOOR swings open, as Casey lunges at the * desk finding an old letter opener as her only weapon. *

ANDI yanks open the door RUNNING towards Casey as if she's a * devilish TRACK STAR.

They COLLIDE! *

Casey burying the letter opener into Andi's RIBCAGE as Andi * buries the knife in Casey's CHEST.

They look at each other, eyes locked once more, when...

BOTH OF THEM FALL TO THE FLOOR. *

FADE TO BLACK:

78 INT - LAST CHANCE MOTEL - ROULETTE ROOM - NIGHT 78

Silence.

Casey comes to, finding herself strapped to the torture table as Axel once was. *

She starts trying to work herself loose from her bindings with what little strength she has left.

NOTE her left hand/arm is so bloody it's sliding a bit in the strap/rope - this should play throughout the dialogue here.

Her attention snaps to a scuffling sound just beyond where * she can't quite crane her neck to see.

Andi, in equally bad shape, but finding her prize, limps * around to set up a camera in front of Casey to film what comes next. Noticing the now awake Casey...

ANDI
Morning, princess. *

CASEY
What the fuck is this? Where am I?

ANDI
You saw the tapes. I thought you'd know by now.
(beat)
You could say we like to follow the old saying, love what you do and you'll never work a day in your life...

Casey thrashes around, still fight left in her.

CASEY
You're fucking sick!

ANDI
There's that spirit... Gotta admit, after everyone I've brought here, I wouldn't have guessed it would've been you that would've put up a fight like this.

CASEY
Yeah well. Aren't we all just full of surprises this weekend?

ANDI
(holding up a carving knife)
It's time to finish what my family started. Being the fighter you are, I bet you're going to set me up nicely for a while with the prices I'll get from your pretty little parts.

CASEY
Fuck you.

ANDI
I think we're past that part of our relationship, wifey.

Andi drops the carving knife to choose which weapon she wants to use to end this.

ANDI (CONT'D)
(picking up a meat cleaver)
As much as I'd love to take my time on you, I'm pretty tired, and you just killed my entire family...

CASEY
I guess we're even, since you just massacred mine...

ANDI
You little fucking cunt. This was supposed to be an easy one.

Andi picks up a small chainsaw.

ANDI (CONT'D)
Crude, but like I said, I'm beat.

CASEY
Do I get a last request?

ANDI
Sure. Call it my wedding gift to you.

CASEY
Why me?

ANDI
Why you? That's easy. I noticed the Zanny's on your nightstand the first night we hooked up. Once I got a good glimpse at how fucked up you really are, it was a slam dunk. (beat; mockingly) Poor little Casey, all misunderstood and full of anxiety... Give me a break. Honestly, you're just as fucked up as me. You think you're better because you popped pills to numb what's inside you...but me? I took charge, WE took charge of our shitty circumstances. We own our lives in my family, we choose our own strength. We found a way to survive! (beat) Last request fulfilled.

Casey can only look on in a mix of resolved fate, terror and defeat.

Andi attempts to start the chainsaw with a dramatic flair, but falters, misjudging her own weakness that this point.

Stumbling a bit, she turns her back to Casey.

ANDI (CONT'D)
(CONT'D)
(to herself) What the fuck...

Raising the last of her strength, she repeatedly attempts to get the old saw going. Casey, meanwhile, is frantically working to slip her blood-soaked left hand loose and seems to * be gaining some space just as Andi starts the saw and turns around ready to finish her off. Andi revs the saw in dramatic fashion and then let's it idle long enough to deliver some parting words...

ANDI (CONT'D)
Consider this our divorce.

Andi lunges forward in delight and starts cutting into Casey's right shoulder at the collarbone. As Casey writhes in * pain at the crunching of her bones and splattering of her own flesh, she focuses on loosening her left hand.

Finally freeing it, she grabs the back of Andi's head and pulls her down into the saw rotating saw...

A shocked Andi can't release the trigger fast enough and saws into her own flesh as they scream in unison at their shared pain.

Finally relenting, Andi stumbles back to recover and Casey takes the opportunity to untie what's left of her - staring briefly in shock at her now-limp right arm, and then quickly untying her legs with her remaining hand just as Andi recovers.

As Andi lunges on the attack again, but Casey rebuffs her with a kick to the chest and then lunges at her tackling her * into the room, crashing over the table of weapons.

The camera slowly dollies out as we hear screams, metal clashing, blood spattering and a symphony of battle sounds continue just out of view of the lens, as the camera lands just outside of the door - the battle eventually ending in silence.

This continues for an UNCOMFORTABLY LONG period as we hold just outside the door when...

79 EXT - LAST CHANCE MOTEL - SAME 79

Casey bursts through the door breathless, absolutely drenched in blood, right arm dangling, staggering out into the motel grounds gripping a knife in her remaining hand.

In the very far off distance she can just make out the sound of approaching sirens and starts towards them.

She pulls herself together and starts making her way to the junkyard/exit, whimpering in pain along the way, refusing to let go of her weapon - just in case.

80 EXT LAST CHANCE MOTEL - CAR GRAVEYARD - CONTINUOUS 80

Casey steps out into rows upon rows of junked cars, many of them being near-classic status - had they not ended up here - the vehicles of previous VICTIMS to the hotel.

FAR DOWN THE ROWS OF CARS is a chain-link fence - THE EXIT.

Casey drags herself toward salvation, nearly falling but manages to stay on her feet.

Nearing the exit, she looks back over her shoulder one last time to find ANDI! Somehow still alive, lit only by the neon of the motel sign, standing in a grotesque silhouette.

They stand off like high noon in the old West.

Casey shakes her head, takes a DEEP BREATH, screaming:

CASEY
Why won't you just fucking die, bitch!

ANDI
You first.

Casey musters all her strength. Sirens growing louder in the distance...

Despite the ungodly pain she's in, she grips the knife, and musters a run toward Andi to finish her off once and for all.

Andi starts in a sickening trot toward Casey, dragging what's left of her own body.

The build in action masks the sound of the police car(s) screeching to a halt outside the gated entrance.

Just as Casey is about to clash with Andi, two POLICE OFFICERS enter the car graveyard, swinging open the gate, guns drawn.

POLICE OFFICER #1
FREEZE AND DROP YOUR WEAPON, NOW!

Both women freeze in place, mere feet away from each other.

POLICE OFFICER #2
Drop your weapon and put your hands above your head, where I can see them...

Casey grips the knife tighter, unsure of what to do.

ANDI
(putting on her best performance)
Please, help me...She's trying to kill me.

POLICE OFFICER #1
Ma'am...I'm gonna need to you put your hands behind your head, now!

As the cops slowly approach Casey, Andi seizes the moment and subtly smiles at her, whispering:

ANDI
Last chance...

In one motion she raises the knife and lunges at Andi to end it, stabbing deep into her gut. Andi falls to the ground in shock and horror at Casey's surprise attack.

POLICE OFFICER #2
DROP IT! NOW!

Casey turns to them and just screams...

The two cops OPEN FIRE on Casey.

Casey drops to the ground next to Andi. A macabre "spooning" of sorts. Casey's eyes, staring blankly into the sky, reflecting the neon sign...

We hover away from their bodies, cops circling and shaking their heads, as a creepy rendition of HERE COMES THE BRIDE (wedding exit song) fills the grounds...

FADE TO BLACK.

81 INT. DESERT DINER - MONTHS LATER 81

CLOSE IN on a radio giving a news update on a massacre at a high-desert desert motel - THE LAST CHANCE MOTEL. *

RADIO DJ *
** DIALOGUE TBD ** *

A WAITRESS, MEG, hair up into a bun, glides past the radio headed toward each of the patrons as she tops off their coffee cups.

We land on RINGO, 30s, attractive with three days of salt-and-pepper stubble filling out nicely.

MEG stops in front of him...

MEG
Fill 'er up?

RINGO
To the edge.

She tips the coffee pot towards his cup, replenishing it with the best damn caffeinated beverage three bucks can buy. Next to him in a gap of empty seats, and at the other end is a GIRL, head down over a place of mashed potatoes and chicken-fried steak. It's ANDI. As the news report breaks for a commercial, we can hear Andi whimpering.

RINGO (CONT'D)
(to Meg, quietly)
Seen her before?

MEG
She's been coming in at the same time every week and ordering the same thing off the menu every time.

Ringo looks back at Andi.

MEG (CONT'D)
Cries her eyes out, tips well, then it's wash, rinse, and repeat.

RINGO
Any idea what's wrong?

MEG
(shaking her head) No. She keeps to herself each time.
(beat)
Need more creamer?

RINGO
Nah, I'm good. (beat) I'm gonna see if I can crack the shell.

MEG
Good luck.

Ringo stands up, walking over to Andi, coffee in hand.

He sits next to her, leaning in towards her while at the same time keeping his distance.

RINGO
Hi there.

No reply.

RINGO (CONT'D)
Need a shoulder to cry on?

She looks up at him, glaring through her tears.

RINGO (CONT'D)
Sorry, bad joke. (beat) You alright?

She wipes away her tears and nods.

ANDI
I will be. Thank you.

RINGO
Despite the bad joke, the offer still stands. Sometimes you just need the right shoulder.

Andi wipes away another tear.

ANDI
You ever ask yourself...

She turns toward him...

ANDI (CONT'D)
...Whatever happened to love?
